

## Revived Randy Carlson Memorial Tournament to be Held January 28th

The XHL and Reynoldsville RollerDrome have announced the annual Randy Carlson Memorial Ironman Tournament will be held on Saturday, January 28<sup>th</sup> of 2012.

The tournament was held in 2005 and 2006 along with 2010 and 2011 as a way to remember former XHL player Randy Carlson, who lost his battle with melanoma in 2005. Carlson made a lasting impression on those who were fortunate to play with him by way of his passion for life and hockey.

The tournament will be co-chaired by Bob Anderson and Summer Mayers.

Just like last year, the tournament will feature a Chinese auction. Anderson said they will be sending out donation requests soon to many area businesses soon. Anderson and Mayers are looking for others to help secure prizes. Anybody who is interested in helping should email Bob at [xhl\\_hockey@hotmail.com](mailto:xhl_hockey@hotmail.com).

All contributions will be donated to the American Cancer Society in Randy's memory.

More information about the tournament will follow at a later date. Please check the messageboard for the latest updates and keep visiting the website as well.
